Sergeant Jon Fong

Sergeant Jon Fong started his law enforcement career in 2005 with the BART Police Department and attended the Oakland Police Academy. He later served with the Stanford University Police Department from 2008 to 2021, before joining the Atherton Police Department in 2021. Sergeant Fong and Emmy partnered up in July of 2024 and have since contributed significantly to the wellness of police department staff, town employees, and the surrounding communities. You will frequently see them at local schools during morning drop-offs and attending the majority of community events in town. Additionally, they have assisted the District Attorney's office by providing critical support to victims before, during, and after testimony. The things that can be accomplished by a team consisting of a therapy K-9 and their handler are both amazing and deeply rewarding, proving that sometimes the best tool for healing has four legs and a wagging tail.
