

Senator Josh Becker

THIRTEENTH SENATE DISTRICT
CALIFORNIA LEGISLATURE

Dear Chief McCulley,

I was excited to read about Emmy, Atherton Police Department's new therapy dog. What a great way of providing comfort to those who need it. I am always supportive of innovative partnerships such as the one between Hearts 4 Heroes and the Atherton Police Activities League.

Should Emmy ever be near our office, please bring her by to say hello! My staff and I would love to meet her.

Sincerely,
